

Interchangeable Jaw Grip Liner

This Klein Tools Interchangeable Grip Liner is designed to be used with Klein Tools' 1628-60 Interchangeable Grip. These grip liners are removable and can be switched out with 12 other jaw liners to make the 1628-60 grip compatible with multiple sizes of ACSR, ACSS, and AAC cables. These interchangeable liners are inserted between the upper and lower jaws of the grip to keep cable securely in place.
