The **COMPLETE** Water Analysis Solution

The unique, multi-test **ColorQ PRO 7** pool and spa hand-held photometer reads **SEVEN** test factors directly on a digital display. Featuring an innovative dual-optic design the ColorQ provides more accuracy and more test factors. The ColorQ eliminates the need to visually determine slight color variations or use look-up tables, thus taking the guesswork out of pool-side water analysis.

7 TEST FACTORS!

Free Chlorine
Total Chlorine
Bromine
