

Offset Right-Cutting Aviation Snips

Cut and trim sheet metal in comfort with the Klein Tools right cutting Offset Snips. Snip blades are made of forged, heat-treated steel for strength and durability. Offset blades make it easier to cut in tight curves and keep the user's hand away from the metal. The contoured plastic handles with thumb guards are color-coded by cutting pattern.

Specifications

Type:	Offset
Special Features:	Spring-loaded for Self-opening Action
Color Code:	Green
Cutting Length:	1.25" (3.2 cm)
Overall Height:	1" (2.54 cm)
Material:	Steel
Blade Curvature:	Straight
Blade Length:	2.125" (5.4 cm)
Blade Material:	Forged Steel
Handed:	Ambidextrous
