

## ***Compact Portable Shipping Scales for General Shipping Applications***

Introducing the Courier 1000 Series Shipping Scales – a versatile line of lightweight, durable weighing equipment able to handle everything from general shipping applications for businesses to light weighing jobs for veterinary offices.

### ***Unique Features:***

- Its ultra-compact ABS plastic design combines light weight and durability. Courier scales are exceptionally easy to transport thanks to their integrated handles.
- Large 0.8 inch/20 mm high display works with Dynamic Weighing mode to store data & ensure it is easily accessible when weighing packages and is also ideal for weighing small animals in veterinary use.
- Battery powered (not included) for use in the office or shop. AC adapter power included.

# COURIER™ 1000 Shipping Scales
