
LOCKING PLIERS

Designed for high locking force, effortless adjustments, and all-day durability.

LOCKING PLIERS

The Klein Tools Locking Pliers deliver a secure hold with high locking force, ensuring optimal performance for a wide variety of tasks. These pliers feature molded grips that provide exceptional comfort for all-day use. With durable rust-resistant coating, these pliers offer long-lasting protection for maximum longevity.

Available in 3-Styles

Curved Jaw design is ideal for clamping and turning round objects

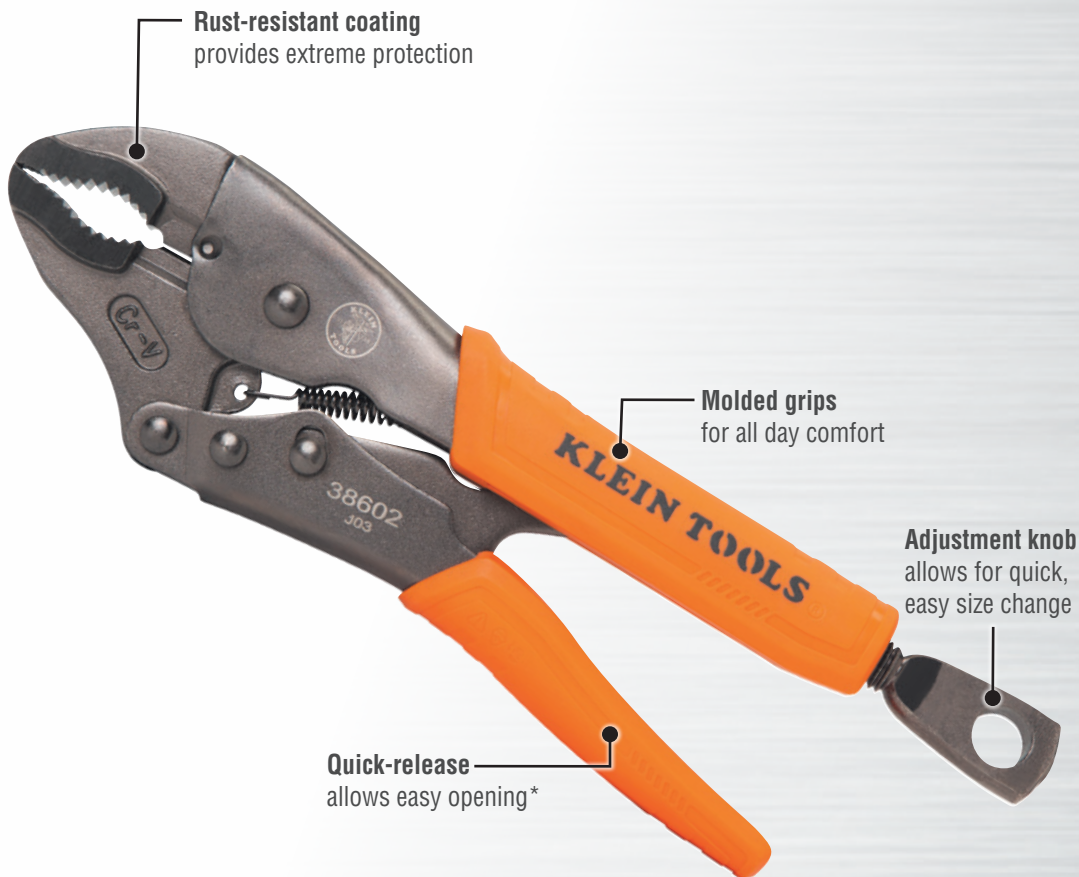

Long Nose design is ideal for greater control and access into tight spaces

Straight Jaw design is ideal for universal use and providing a secure grip on flat workpieces
