

RECHARGEABLE FOCUS FLASHLIGHT WITH LASER

Klein Tools' Rechargeable Focus Flashlight with Laser is a perfect addition to your tool bag. The lithium-ion battery-powered flashlight boasts a bright 350 lumens and can last a full 12 hours. Twist the focus bezel to concentrate the light right where you need it. The onboard class IIIa red laser pinpoints objects in out-of-reach locations. The flashlight also features a removable pocket clip with lanyard hole and a magnetic end cap for hands-free use. This compact yet rugged, 10-foot (3 m) drop-rated flashlight is IP54 water- and dust-resistant—making it a durable, reliable, versatile flashlight for professional daily use.
