

# DEMOLITION DRIVERS

Save your other tools from the abuse these screwdrivers are designed to take. **Unique screwdriver design transfers impact force directly to the work surface.**

Heat treated shaft runs length of handle to metal strike cap

- Engineered, manufactured and tested for **prying, chiseling** and **punching**.
- Plated metal strike cap protects handle from hammer blows.
- Premium chrome plating for corrosion resistance.
- Internal flanges inside handle provide solid, twist-resistant blade anchor.
-
