

LEATHER WELDING SLEEVES

21-inch cowhide leather sleeves protect against sparks and spatter

Klein Tools' Leather Welding Sleeves are designed for welding to help protect users from sparks and weld spatter. Sleeves feature elastic cuffs on each end to provide a comfortable and secure fit. Made with flame-resistant material; compliant with ASTM F1506 Sec. 7.6. Sleeves can be worn with Klein Tools' Short Sleeve Welding Jackets, (Cat. Nos. 60788,60789); sold separately.
