

Replacement Washer for Cable Cutter Cat. No. 63041

Cut, strip and deburr with the All-Purpose Electrician Scissors. The durable, forged high carbon steel blades maintain sharpness and outlast stamped designs. This versatile tool features a cable cutting notch for up to 14 AWG wire, stripping notches for 19 and 23 AWG wire plus a notch in the tip to deburr electrical boxes. The unique, dipped handle design allows for multiple hold preferences.
