

RP 342-XL Press Tool

One Tool. Any Material. Every job.

The RP 342-XL is the first ever RIDGID® press tool that works on any size and material pipe. From ½" PEX all the way up to 4" carbon steel*, one tool can press it all. It also works with the full line of RIDGID Standard 32kN attachments including fan favorites like StrutSlair® and Press Snap™. Its compact design and versatile applications make it the tool you want for every job.

- Fast: Presses up to 4" carbon steel in one trigger pull*
- Simple: QuickSwitch™ collar for standard and extended applications
- Agile: 270° head swivel for access to tight spaces
- Convenient: LED Light for low light applications
- Versatile: Compatible with all RIDGID standard and extended 32kN attachments

* The Viega Z3 actuator is required for 2 ½" to 4" carbon steel applications.
