

## NAIL EATER® EXTREME UTILITY AUGER BITS

DURABLE INDUCTION-HARDENED STEEL  
FOR EVEN LONGER AUGER BIT LIFE

IMPROVED DESIGN  
**LASTS  
5X  
LONGER\***

7/16" Hex Shank  
Quick-Change  
Impact-Rated

**Hollow Center Flute**  
Provides superior chip  
evacuation for deeper holes  
in utility poles and logs

**Improved Cutting Edge**  
Produces clean holes

**Self-Feeding Screw Point**  
Draws bit through wood,  
providing smooth starts

\* Based on Greenlee testing  
compared to prior designs

**NEW**

## NAIL EATER® EXTREME UTILITY AUGER BITS

### NAIL EATER® EXTREME BLACK PTFE-Coating

Resists heat and friction for fast, smooth operation and no chip packing

## NUT RUNNER ASSEMBLIES

### NR1 Nut Runner

- 7/16" adapter for 5/8", 1/2", 13/16", 1" square nuts
- Deep well accepts up to 6" (152 mm) excess bolt length
- Slim profile for easy use and storage

### NR2 Nut Runner

- 7/16" adapter for 1", 1-1/8", 1-5/16" square nuts
- Deep well accepts up to 6" (152 mm) excess bolt length
- Slim profile for easy use and storage
