ET17 UTILITY BORESCOPE

The Klein Tools Utility Borescope allows you to see behind walls, in HVAC systems and any other hard-to-reach area. It features a 4.3" Color LCD monitor, 3X zoom, and 180° screen view rotation. It is paired with a durable and flexible 10' (3m) nylon snake with compatible magnet, hook, and mirror attachments to tackle a variety of applications. It has an 5.5mm waterproof (IP67) camera with adjustable LEDs with 4 brightness levels. You can view captured video/images on the display or transfer to your PC using the USB interface. Operates on internal lithium-ion battery with a life of 3 hours on full charge. It has a built-in clock/calendar and can record video (.AVI) and images (.JPG) with a freeze function during live viewing.

INCLUDES 10' NYLON CABLE, USB-C CHARGING CABLE, CAMERA ACCESSORIES (MAGNET, HOOK, MIRROR), AND CARRYING CASE
