GENERAL®

*"It's your job . . .
General Tools make it easier"*

IMPROVED PERFORMANCE: MORE FOR LESS!

General's NEWEST product is the latest addition to our *UltraTech™* tool line . . .

A collection of Glass Magnifiers, featuring a Polished Optical Glass Lens, in a complete range of sizes.

Upgrades include our comfortable Versa-Grip™ handle and new blister card packaging. You will be pleased to know we are offering this new line at a lower cost than our previous magnifiers.

With the new *UltraTech™* Glass Magnifiers, General is truly giving you improved performance for less!
