

RIDGID® RPE100 Pex Expander

The RIDGID® RPE100 PEX Expander tool delivers unmatched efficiency and performance. Its industry-first AutoReturn feature automatically resets the heads, saving time and eliminating missed steps. A powerful brushless motor delivers rapid expansions, boosting productivity with more connections in less time. Designed for versatility, this PEX expansion tool supports interchangeable expander heads for 3/8" to 1" PEX Type-A tubing. Its automatic rotating head ensures consistent, uniform expansions, while the built-in LED work light and maintenance indicators boost visibility and tool longevity. A compact, ergonomic design makes one-handed use easy, and the fully functioning paddle trigger allows for confident operation even in tight.

- **Optimized Performance:** Brushless motor for maximum productivity
- **Adjustable Heads:** interchangeable and adjustable heads for 3/8" – 1"
- **Built-In LED light:** work light for visibility in darker areas
- **Compact:** one-handed operation with fully functioning paddle trigger
