### DUAL R134a/R1234yf SINGLE STAGE PORTABLE CHARGING STATION

A lightweight, durable, steel frame cart that contains all the necessary tools to quickly and conveniently charge the A/C system. No need for different sized charging cylinders with Mastercool's rugged die cast electronic scale. Simply place the refrigerant cylinder on the scale and charge.

The rugged, steel cart with wheels and convenient storage pocket for scale and hoses allows this portable charging station to be taken almost anywhere!
