

ATL301KIT

Test Lead Kit

ATL301KIT offers a collection of probes designed to offer both safety and convenience. Included are a set of straight to right angle standard test leads, two fine point leads, a pair of alligator clips, and grabber clips. This combination of leads offers a variety of solutions to match the challenges faced on a day-to-day basis. Packaged together in a convenient carrying pouch, helps keep them organized and easily accessible.

Features

- Universal straight/right angle test lead extensions (ATLTX)
- Insulated fine point tip leads (ATL1)
- Large jaw alligator clips (ATL2)
- Remote grabber clips (ATL3)
- Convenient carrying pouch (AC12)
