

# QUICK ADJUST & CLASSIC PUMP PLIERS

Wider Jaw Opening

More Gripping Teeth

Nail Holding Groove

## Grasp the Klein Difference!

### Klein Tools Klaw™ Pump Pliers

Get a better grip on the job at hand with Klein Tools Klaw™ Pump Pliers.

The uniquely designed jaw provides multiple points of contact for maximum torque. Specially hardened teeth cover the inside of the jaw for excellent gripping power. The 10" and 12" sizes also feature a groove near the jaw tip designed especially for holding nails.

Klaw™ Pump Pliers are available in a Classic style or a Quick-Adjust style that features a push button, quick ratchet feature for faster, easier adjustment.

### KLAW™ Pump Pliers

Quick-Adjust

Classic

- **Push button and quick ratchet feature allows for fast and easy adjustment to any position.**  
(Cat. Nos. D504-10B, D504-12B)
- **Compact, narrow design for easy work in small or hard to reach spaces.**
- **Gripping surfaces with specially hardened teeth for reduced wear and positive gripping.**
- **Extended grips for added comfort.**
