

FLASH-175

Flashlight

Easily illuminate a space 40ft (12m) away with the 175 lumen output of the Flash-175. Using the same CREE LED technology and construction, the FLASH-175 is an excellent choice for those looking for superior light output and long service life.

- Super bright, brighter than standard incandescent bulbs
- Precise design, optical pre-focused collimator lens
- 100,000 hours of continuous lamp life, 10 year life
- Machined metal housing sealed with O rings for long service life
- ON/OFF tail switch also features momentary ON/OFF
- Powered by AA alkaline batteries
- Supplied with batteries, users manual and carrying case

No hassle warranty

No waiting.

No shipping charges.

Our commitment to high-quality products and customer service is demonstrated by our industry exclusive "No Hassle" warranty. In the unlikely event that an Amprobe Test Tool requires warranty service, any of our local dealers are authorized to replace it, on the spot.

(note: \$500 MSLP limit)
