

THE INDUSTRY LEADER

Over 90 Years Strong

////////////////////

////////// BUILDING AMERICA //////////

SINCE 1862

Since the day we invented the knockout in 1928, we've made it our mission to build for the world's expert tradespeople. For decades, our manufacturing plant in Rockford, IL has been building the widest range of high-quality hole-making products for trade professionals. Greenlee knockouts are known as industry-leading products that allow professionals like you to complete any job more quickly and reliably. As the industry evolves and technology advances, we continue our 90-year legacy of providing optimal knockout solutions.
