

Professional crane scale | industrial environment

Features

- Metal housing
- For industrial environment
- Large LED display, backlit
- With remote control
- Hold function, Peak function, Auto-off function
- Stainless steel shackle (upper suspension) and hook (lower suspension)
- Measuring units changeable (kg, N)
- Integrated, rechargeable batteries
- Mains adapter for CH/EU included
- Can be calibrated by user

Models

Item No.	Capacity	Min. load	Division	Official calibration
PCS0500	500kg	4kg	200g	Not legal for trade
PCS1000	1000kg	10kg	500g	Not legal for trade

Design

Material platform	Aluminum die casting
Color	Grey
Outer measurements (without suspension)	205x132x125mm
Net weight / gross weight	4250g / 5300g

Technical data

Display	LED, 157x41mm
Weighing units	Kilogram, Newton
Calibration	Can be calibrated by user
Conformity	CE, RoHS
Power supply	Integrated, rechargeable battery with approx. 50 hours running time (when using the backlit LED display. CH/EU mains adapter included.
Operating temperature	0° - 40°C / 32° - 104°F
Data interface	Non
Manual	German, French, English
Scope of delivery	Suspension shackle (upper suspension) and hook (lower suspension), mains adapter for CH/EU
