A Big Wheel for Big Jobs

Professional performance in a durable design

The Lufkin® Professional 12-Inch Measuring Wheel has a proven design that keeps things simple with one big improvement that gives it best-in-class durability. The new bolstered folding handle joint is designed to survive when other handles break. It's made to open without damage when subjected to severe shock. So you just click it closed and keep on working. That's Lufkin innovation working for you.
