

Multifunctional bench scale | Versatile

Models Item No.

> Calibration Conformity

Power supply

Data interface

Scope of delivery

Manual

Features

- Robust design, protection against external influences
- Large LCD display, backlit
- Overload indication
- Levelling feet
- Stability indication
- Counting function, weight accumulation, check-weighing

Official calibration

Pre-tare function, Auto-off function, Hold function

Build-in battery with approx. 110 hours running time (when using

- Low battery status indication
- Unit changeable (kg, lb)
- Build-in, rechargeable battery
- Mains cable for CH/EU included
- Can be calibrated by user
