

Part No.

# QTFT-2MS0-QD

1/4" male NPT QD (Quick-connect) fitting, S.S.

Make calibrating pressure transmitters a snap by eliminating the need for thread sealant or wrenches when connecting to any female NPT connection

QTFT-2MS0-QD

## Specs/Attributes

|                           |                                          |
|---------------------------|------------------------------------------|
| Country of origin         | USA                                      |
| Has Check Valve           | No                                       |
| Materials                 | Stainless Steel                          |
| Max Operating Temperature | 225 °F / 105 °C                          |
| Max Pressure              | 5000 PSI / 350 bar / 35 MPa              |
| Min Operating Temperature | 0 °F / -18 °C                            |
| Seal Materials            | Buna-N                                   |
| Connector End 1           | 1/4" Male NPT (ASME B1.20.1)             |
| Connector End 2           | Male Quick-test                          |
| Dimensions                | H: 2.34 in (5.94 cm) x W: 1 in (2.54 cm) |
